Dear Resident,

This is my 13th Report Back since being elected in 2001 and my 11th year of being a Parliamentarian and I am proud and honoured to represent the people of Mid Dorset and North Poole.

Back in 2001 when I was elected, I promised to keep in touch all year round, report back on my work in Parliament and the constituency and always be available to help local people with regular advice surgeries- and 10 years later I am determined to carry on with these commitments.

As your local MP I am committed to putting you first and standing up for our area in Parliament. So, as always, if you have any problems, big or small, please do get in touch.

Very best wishes,

Annette Brooke
