# FOCUS

ON COLEHILL

Dear Neighbour,

Over the last four years we have been working on the issues that you have told us are important to you. But far more still needs to be done. Please feel free to contact us at anytime and let us know about issues affecting you.

Your Colehill Councillors work very hard all year round to make sure you get the best possible service from the Council. We will work with Mid Dorset MP Annette Brooke MP on a range of issues: protecting our green belt, safer roads, cleaner streets, anti social behaviour and value for money. We believe in working with the community to improve it. But we need your help to allow us to continue this work - please support us on May 3rd.

**Janet Dover and Don Wallace**

# COLEHILL LIBERAL DEMOCRATS - WORKING FOR YOU

## Protecting our Environment

- We will work hard to improve all aspects of recycling, especially kerbside recycling.
- We will continue to work towards greater energy efficiencies to combat climate change.
- We will put even greater emphasis upon cleaner streets and open spaces.
- We will fight to protect the green belt and oppose over-development in our village.

## Sustainable Communities

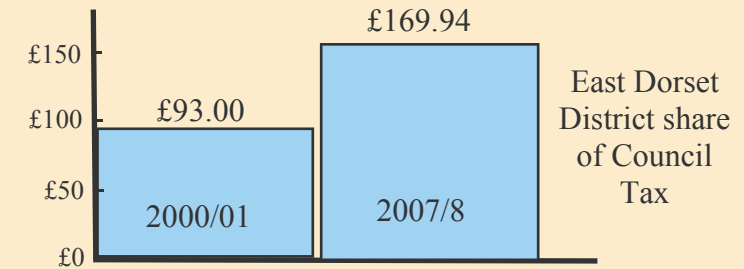

- We will continue to fight for improvements in local bus services and extend concessionary fares
- We will give local people a greater say in local decision making.
- We will fight to keep our local library and Post Office.
- We will work closely with the police and partnership groups to combat crime.

## Value for Money

- We will continue to campaign for the abolition of the unfair Council tax.
- We will continue to actively support the Reef Youth Club.
- We oppose wasteful expenditure and want stricter financial management of Dorset County Council
- We will fight to keep services for the elderly and housebound, opposing Tory cuts to home care

Council tax put up **80%** over 7 years by Tory Run East Dorset District Council, that's more than 10% a year!
