THANK YOU!

Local Lib Dem councillors Anne Holland and Susan Jefferies

Lib Dem councillor ANNE HOLLAND said "I am delighted to have been re-elected to East Dorset District Council to serve you again for the next four years"

"I'd like to thank everyone who voted for me, and everyone in Corfe Mullen North for the wonderful reception I got on the doorstep,"

"Those 540 votes will help us continue to fight for what local people have told us they want - a fairer deal for people in Corfe Mullen North."

Corfe Mullen Library Saved for Second Time

Your Lib Dem team were delighted by the news that Corfe Mullen Library was to be reprieved at the full County Council meeting held on 21st July.

Sadly nine community libraries will have their funding withdrawn despite the efforts of your local Lib Dems. Annette Brooke MP and County Councillor Susan Jefferies spoke out against the proposals at the meeting,

arguing against the cuts in the service.

Cllr Susan Jefferies commented, "Whilst I am really happy that our local library has been saved, it was sad to see that most of the Conservatives were unwilling to look at other options for savings.

Corfe Mullen is safe for the moment, however we could well have another round of cuts in three

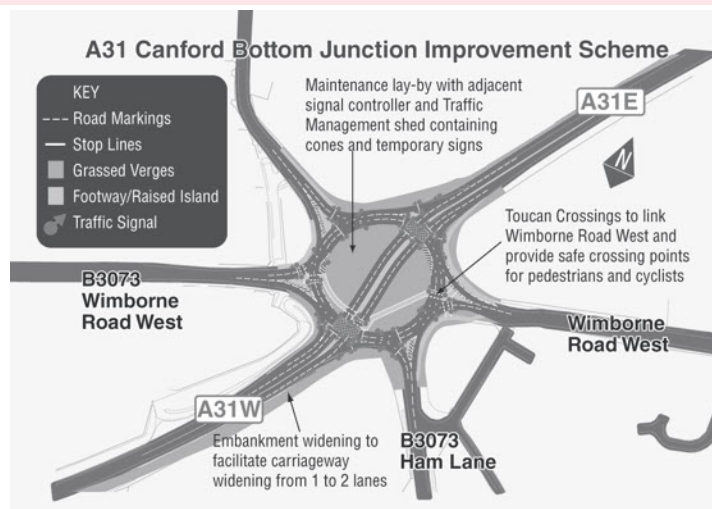

or four years time. If any of the smaller libraries become successful community run libraries then this model may well be extended to others."

Annette Brooke MP added, "With the need to improve our children's literacy skills it is a nonsense to close libraries when Dorset could make management savings and efficiencies in book purchasing."

Hamburger Junction gets Go-ahead

The changes at Canford Bottom roundabout may well help traffic flow a little better but there will be disruption during its construction.

Next year during the Olympics, traffic bound for Poole will be unable to go off at the Merley roundabout, this will inevitably mean that more traffic will travel through Corfe Mullen. Your local representatives at all levels have protested about both Canford Bottom and the Merley exit closure but the Olympics are the priority at all costs.

The Highways Agency's plans for the scheme

Gypsies and Travellers

Dorset Councils have commissioned planning consultants to prepare a list of possible permanent and transit gypsy and traveller sites throughout the county.

East Dorset's list will be published in time for the District's Policy and Resources Committee on 28 September. Look for information on the East Dorset pages of the dorsetforyou website from about 22 September. Public consultation will then begin.
