# FOCUS on St Martin

# Beryl Ezzard

**Annette Brooke, Cllr Beryl Ezzard and Cllr Keith Green are a strong local team for St Martin:**

- Working hard for you all the year round, not just at election time
- Listening to your concerns and speaking up in your best interest
- Being available to give help and advice
- Keeping in touch all year round with regular focus newsletters

**On Thursday May 1st vote**

**Beryl EZZARD**

## Beryl Ezzard and the Liberal Democrats will:

- Support replacing the unaffordable Council Tax with a fair local tax based on your ability to pay
- Support and extend initiatives to fight crime and anti-social behaviour
- At the earliest opportunity extend the kerbside recycling scheme to include all cardboard; plastics and a weekly collection of kitchen waste
- Strengthen the protection of Purbeck's towns, villages and countryside
- Promote energy conservation and sustainability – starting with the Council's own buildings

**Kerbside recycling was first introduced by the Lib Dems, it is time to do more!**

- Support small developments of affordable housing in line with local community needs and priorities
- Oppose the massive housing expansion proposed for Purbeck
- Encourage the provision of cycleway and walking routes and improvements to bus services
- Seek to re-introduce all day concessionary bus travel for bus pass holders

**Council Tax has more than doubled since the Conservatives took control of Purbeck District Council.**

## VALUE FOR MONEY

Lib Dems pledge:

- ✓ To keep Council Tax below the national average, whilst providing quality value for money services
- ✓ Expand joint working with other councils to increase efficiency and reduce costs

The Tories:

- Claim to have made massive savings and yet expenditure has rocketed by 57% in 9 years of Tory rule.

**Has your money been spent wisely?**
