FOCUS on WAREHAM

Keith Critchley

Annette Brooke, David Budd, Keith Critchley and Eric Osmond are a strong local team for Wareham:

- Working hard for you all the year round, not just at election time
- Listening to your concerns and speaking up in your best interest
- Being available to give help and advice
- Keeping in touch all year round with regular focus newsletters

On Thursday May 1st vote

Keith CRITCHLEY

Keith Critchley and the Liberal Democrats will:

- Support replacing the unaffordable Council Tax with a fair local tax based on your ability to pay
- Support and extend initiatives to fight crime and anti-social behaviour
- At the earliest opportunity extend the kerbside recycling scheme to include all cardboard; plastics and a weekly collection of kitchen waste
- Strengthen the protection of Purbeck's towns, villages and countryside
- Promote energy conservation and sustainability – starting with the Council's own buildings

Council Tax has more than doubled since the Conservatives took control of Purbeck District Council.

Kerbside recycling was first introduced by the Lib Dems, it is time to do more!

- Support small developments of affordable housing in line with local community needs and priorities
- Oppose the massive housing expansion proposed for Purbeck
- Encourage the provision of cycleway and walking routes and improvements to bus services
- Seek to re-introduce all day concessionary bus travel for bus pass holders

VALUE FOR MONEY

Lib Dems pledge:

- ✓ To keep Council Tax below the national average, whilst providing quality value for money services
- ✓ Expand joint working with other councils to increase efficiency and reduce costs

The Tories:

- Claim to have made massive savings and yet expenditure has rocketed by 57% in 9 years of Tory rule.

Has your money been spent wisely?
