THANK YOU!

Cllr Pat Hymers and Cllr David Morgan say thank you to those that elected them to East Dorset District and the support shown to Shane Bartlett

We would like to thank all those who voted for us on 5th May. We are very grateful for the trust you have placed in us. It is a privilege to represent you all on East Dorset District Council.

Sadly, despite all of his hard work, Shane Bartlett failed to get elected to the District Council but has taken up his position on Wimborne Town Council with much enthusiasm.

The political balance in East Dorset is: Conservatives 30, Liberal Democrats 6. The Liberal Democrats will continue to work for the best interests of all local residents.

The result in Wimborne Minster ward

Protect Leigh Park Recreation Ground

East Dorset District Council has proposals to allow development on the recreation ground at Leigh Park.

As one of only two public recreation grounds in Wimborne, it would be a sad loss if this development were to go ahead.

Housing proposals are increasing and as a result it is becoming even more important to protect places like this. Developing on Leigh Park Recreation Ground would deny future generations the opportunity to enjoy this green open space.

We must defend this beautiful outdoor place in Wimborne. The local Liberal Democrat team is supporting the petition to save Leigh Park Recreation Ground.

With the Queen's Diamond Jubilee approaching, there is an opportunity to secure Leigh Park Recreation Ground for many years to come. The Queen Elizabeth II Fields Challenge is offering the opportunity for outdoor spaces just like this to become designated protected areas permanently. Canford Bottom Roundabout Update

As this Focus goes to press, we are able to let residents know the news that the proposed works by the Highways Agency on the Canford Bottom roundabout have been given the go ahead.

Annette Brooke MP, along with Christopher Chope, approached the Minister and asked him to review the decision following a well attended public meeting but sadly after a short deferral the works will go ahead.

Local residents have already expressed great concerns about the proposed local road closures and diversions during the constructive phases. Businesses too, have expressed their horror at the effect the road closures will have on access to their business premises either side of the roundabout

Engineers are due to start work in September on transforming Canford Bottom into a six-arm 'hamburger' junction in time for the Olympic events in Weymouth in 2012.

We will continue to keep residents informed of the progress made.
